Posoh Menominee Tribal Members,

This time of year is representative of the tightly held Menominee belief in the importance of family and community. In the past year, the Menominee Indian Tribe of Wisconsin and the Menominee Tribal Enterprise have taken initiative to do what is in the best interest of the Menominee people and the Menominee forest.

As such, the Tribe and MTE have once again collaborated to provide a distribution to each enrolled member of the Menominee Indian Tribe. On December 7, 2012 the Tribe will issue on behalf of both entities, individual checks of \$100.00 to each enrolled member. All distribution for enrolled members under the age of 18-years will be held in trust at Associated Bank Trust Fund upon the minor's 18th birthday.

On behalf of the leadership of the Menominee Indian Tribe of Wisconsin and the Menominee Tribal Enterprise, we wish you all a safe and happy holiday season.

Sincerely,

Craig Corn
MITW Chairman

Norman Shawanokasic
MTE Board Chairman

Merry Christmas and Happy New Year
